GROUP CAMPSITE RESERVATION INFORMATION Red Rock Canyon Campground

The Red Rock Canyon Campground has five group campsites. Access to the Campground is available 24 hours. While there is a gate to the group area, it is not locked when the area is in use.

The Campground is located two miles west of Las Vegas on SR 159 (W. Charleston Blvd). From the Beltway (215) and W. Charleston Blvd, head three miles west on SR 159. The turn off to the Campground is the first left (look for the brown and white sign with a tent symbol).

Reservations are accepted for the group campsites only. All other sites are first-come, first serve.

Reservation Information

Reservations are accepted up to six months in advance, but no later than two weeks before the arrival date.

Group campsites are for groups no smaller than 10 people and up to 20 people in size. Each site has picnic tables, a fire ring with benches, and sites A/B/C have a single pit toilet. Firewood can be purchased from the campground hosts between September 1 and May 31. Each site can hold up to eight vehicles. To ensure the campsites are available fairly to all interested, there is a 14-day limit. The fee for use of a group site is \$25 (us dollars) per night, per site.

Check-in time is 12 noon.
Check-out time is 11 am.

For March and April, group campsites are usually full by reservation by early February.

The Campground may be closed during June, July and August due to funding and low use considerations.

Advance payment is required. *When you make a reservation you will be given the date when we must receive your check in order to continue to hold your reservation.* Failure to pay by the date will result in the cancellation of the reservation. Refunds may be made as long as we receive 24 hours notice prior to the arrival date.
